ATMOSPHERE

NOOK is casual and unpretentious, encouraging our guests to unwind and enjoy simple, well made, Italian inspired cuisine in a laid-back setting. Nestled in neighbourhoods across Vancouver, Nook restaurants exude a relaxed and inviting atmosphere fit for any gathering.

FOOD AND BEVERAGE

Nook offers thoughtful, ingredient-forward dishes based on Italian cuisine. The focus of the food program is on Antipasto and Housemade Pasta & Pizza. Begin with an Aperol Spritz or another one of our Cocktails and then move onto some Wine for your group. The wines that we carry are curated from several small vineyard wineries primarily located in Italy.

We love to have a chat, listen to what your group is looking for, and then craft a night with the food and drink that will work perfectly for you.
